# Fairbridge Farm and Alcoa Discovery Tours

**FRIDAY 20 NOVEMBER 2020**

The bus will leave the Greendale Centre at 9am and head to Fairbridge farm for morning tea and a tour around the grounds of this historic farm, then head to Alcoa for a tour.

Since 1963 Alcoa has been part of the Australian community. From its earliest beginnings Alcoa have opened their doors, giving the public and students an insight into the amazing technology that transforms the red rock-like mineral bauxite into light-weight, shining aluminum.

Over 635,000 people have seen Alcoa's operations through tours and school visits to both their Victorian and West Australian operations.

The Discover Alcoa program offers education and experience.

Lunch will be after the tour at the  
Café on the Dam at Jarrahdale.

Tickets are \$30.00 and this covers all tours and morning tea.  
You are required to purchase your own lunch.
