

Covid-19

The main focus at Dale Cottages has always been our commitment to care for our residents, staff, volunteers, visitors and the wider community. We value the support and friendship of all who work and live here. During these uncertain times, we must ensure we continue to keep all our people safe. Keeping in line with updated regulations, the J.E. Murray Home is open to visitors for our residents with some restrictions, as set out by The Health Department. For information on our current visiting hours and restrictions, please contact us at 9497 3200, between 10.00am and 4.00pm weekdays.

We currently have NO reported positive test cases of Coronavirus within our Residential Care Facility.

We understand that the events that are presenting around the globe may cause some concerns and apprehension for you or your families. To that end please be assured we are still open for business, but with new protocols and procedures in place to ensure we all stay safe, this includes our In Home Care and Retirement Village services, which are fully operational.

Please ring our office number 9497 3200 Monday to Friday 10.00am to 4.00pm if you have any queries. To keep abreast of the COVID-19 information the link below will take you to the latest news from the Dept. of Health.
